

Sample itinerary for Victoria Falls, Zambia - 3 Nights

OVERVIEW

The mighty Victoria Falls rightly deserves their place as one of the seven natural wonders in the world. The sound of the water crashing over the falls and the resulting mist have given the Falls their local name "Mosi-oa-tunya" - "the smoke that thunders". Victoria Falls offers awesome scenery, game viewing and a whole range of adventure activities. Victoria Falls epitomizes the romance, adventure and luxury of Africa and rates as one of the continent's finest destinations. Journey to this magical place and witness the largest single sheet of falling water on earth as it plunges down a sheer rock face, spraying its mystical mist hundreds of metres in the air.

ACCOMMODATION OPTIONS

THE ROYAL LIVINGSTONE *****

The Royal Livingstone is a tranquil 5 star retreat stretching luxuriously along the banks of the Zambezi River. The Hotel consists of a series of 17 colonial-style buildings, with deep verandas, set amidst indigenous trees and plants. The main hotel is a sequence of thatch-roofed buildings incorporating the lounge, restaurant and bar. A classic swimming pool visually links the waters of the river with the terraces of the hotel, with a sweeping timber deck planted in the swirling water of the Zambezi. The resort's deep, shaded verandah, offers an uninterrupted view of the Zambezi River and is the ideal place to curl up with a book discovered in the well-stocked library.

THE ZAMBEZI SUN ***

This nearby 3-star hotel features adobe-style architecture. Simple finishes highlight bright mosaics and fabrics and the intoxicating environment is characterised by ethnic wall stencils, timber and plaster ceilings, Zambian artworks and accessories. It is constructed in a series of eight buildings, consisting of the guest rooms, a central pavilion of restaurants and a fabulous convention centre. The guest rooms acknowledge their African roots in the deep rich red earth colour of the rounded planes of its walls. In the early evening the dark outline of the hotel is set against iridescent curls of smoky vapour that dance above its roofline.
