

The 2nd Access Conference
30 November – 2 December 2004 - Cape Town, South Africa

Bursary Application Form

Access 2004 conference organisers are committed to making the conference accessible to people from resource-poor organisations and disadvantaged communities. We will therefore consider applications for support by people from disadvantaged communities and NGOs.

Priority will be given to those whose participation will help enhance their work in their own contexts and to those who are able to transfer skills and knowledge acquired at the conference.

Both full and partial bursaries are offered. Selection of successful applicants will be made by a review committee comprised of representatives of the organising committee. We are finalising the funds for scholarships and thus applicants will be informed of the status of their applications by October 2004.

Full bursaries: Conference proceedings; lunch & refreshments; delegate bag and stationary and access to exhibition. Any other items of a personal nature are not included.

Partial bursaries: As above, but limited to a 50% discount on the full fees

Applicants must also complete the conference registration form.

Application should also include the following:

- A summary CV (one page)
- A letter of support from your organization

PLEASE NOTE: The completion of this application does in no way guarantee the acceptance of the application. Adjudication will be based on merit and in accordance with available funds. Funds will only be available if sponsorship funds have been raised,
